

Wood Fold Primary School Newsletter - 10th March 2023

Skipping Challenge

Well done to all 225 children who accepted the February skipping challenge! We were amazed at how many of the children challenged themselves either by learning to skip, improving existing skipping skills or teaching others. Also, a big thank you to the PTFA for providing the prizes.

Comic Relief

Friday 17th March is Comic Relief Day so we are asking the children to come to school wearing something red for a suggested minimum donation of £1.00 to be made through ParentPay, (we are no longer able to accept cash in school). Please click on the link below to donate. Many thanks for your support.

Online & E-Safety

Children are increasingly communicating via a digital platform. Even though many of these platforms are designed for older children, younger children have created accounts and are using them regularly. **Please be aware of what your child is accessing.** We have attached some guides to this newsletter to support you with information on various social media platforms, so you can talk to your child and support them.

Fledglings Nursery Parents' Evening

You should have recently received a letter inviting you to our Fledglings Parents' Evening which is being held on **Tuesday 28th March**. Please send your reply slip into nursery, confirming your preferred time, no later than **Tuesday 14th March**. Thank you.

Top tips to support children's understanding

Get down to your child's level and engage their attention before speaking or asking a question. Encourage your child to stop and listen by using their name first.

A polite reminder that the final payment for the Y6 Boreatton Park residential trip is due by **Friday 24th March** and for the Y5 Anderton Centre trip, the final payment is due by **Friday 31st March**. Many thanks.
