

# Wood Fold Primary School Newsletter - 18th June 2021

## Face Coverings

With infection rates increasing across the borough, please remember that we recommend parents wear a face mask or covering during school drop off and pick up, as it is difficult to maintain a 2m distance from others. Please adhere to this every morning and afternoon; this is for the protection of our whole school community.

Please remember that if **any** member of your household develops any of the symptoms for Covid-19, then a PCR test must be booked and the whole household self-isolate at home until the results are received.

For more information, including details of how to book a PCR test and how to obtain free lateral flow testing kits, please click on the following link which will take you to the relevant page on the school website:

## Fledglings Nursery

### Sunny weather

Further to the reminder last week, please can you ensure that you apply an all day sun cream on your child **before** they come to nursery, as we are not able to apply it. Please also remember their sun hat (with their name in).

### Water Bottles

Please ensure that water bottles are only filled with water, not juice, every day.

### Top tips for promoting independence in readiness for starting school

Encourage your child to put their own coats on / take off, including using the zips or buttons. To use a knife and fork in the correct way and also dress and undress themselves, including shoes, in readiness for changing for PE!
