Y5 Anderton Centre

Our Year 5 children attended the Anderton Centre last weekend and had a fantastic time taking part in activities such as tree climbing, stand up paddle boards, canoeing, bush-craft, survival and archery. The weather was glorious and the children did our school proud!

Y1 Manchester Aerodrome

Our Year 1 pupils had a fabulous time this week on their day trip to Manchester Airport Aerozone. They enjoyed experiencing all areas and stages in an airport from check in and baggage handling, to waving the paddles on the runway to communicate with the pilot! All the children had a wonderful time and we are proud of them representing our school.

Talk about things as they are happening; everyday activities provide wonderful learning opportunities (e.g. naming food items as you unpack the shopping or describing what you are doing).
