Jiu-Jitsu Champ!

We are so proud of Thomas H in Y2W who came 3rd in the Gracie Barra Brazilian Jiu-Jitsu National championship on Sunday. Well done Thomas! What a super achievement!!

If you have a review you would love to share, please email misshodgkiss@woodfold.wigan.sch.uk and you could get the chance to feature in our School Newsletter!

Walk to School Week

'Walk to School Week' is taking place next week from **Monday 10th October to Friday 14th October**, and there will be members of staff to meet the children at St Marie's car park at **8:35am**. They will then walk those children to school for the duration of 'Walk to School Week'. Pupils who walk to school will get a stamp in their passport.

Reading Workshops

Thank you to all our parents and carers who came to our Reception, Y1 & Y2 Reading Workshops this week. We hope you found the information useful to support your child's reading and learning.

A polite reminder when using St Marie's car park to keep an eye on your children as the church is not liable for any accidents or injuries, and please remember that unless you have a blue badge please do not park in the marked disabled bays. Unfortunately, we have been made aware that parents and children are using the church driveway as a walkthrough to the car park and leaving the gate open. This driveway has open access from the main road and vehicles can pass through this area, and therefore this action poses a huge risk. Please ensure that you follow the signage and respect the safety regulations of the church; we do not want to lose this site as a Park and Walk facility.

Weekly Book Review

Wood Fold is proud to present our 'Reading Corner'. Each week, we are going to share with you some reviews from staff and children and we would love our parents and carers to get involved too! We hope that they will inspire you to take a look at these wonderful reads.

Mrs Burland recommends...

Fleabag
Helen Stephens

"This is one of my favourite picture books. One scruffy dog needs a home, and one lonely boy wants a dog and then they find each other. It's a lovely story about friendship, a stray and fleas!"

Miss Grady recommends...

Moon Juice: Poems for Children
Kate Wakeling

"Moon Juice is a fantastic book brimming with excitement, giggles and page turners. I cannot recommend this book enough! It is filled with lots of different poems from a Viking Warrior to a Telescope. The poet, Kate Wakeling, has chosen to include a range of poems that vary from shape poems to rhyming poems."

Fledglings Nursery

Promoting Independence

Give your child plenty of opportunities to practice putting on their own shoes, independently dressing, putting coats on and off and generally doing things for themselves. All this is a good way of building self-identity, self-esteem and confidence. It also gives your child a sense of achievement.

A reminder that Fledglings hours are 9.00 am–3.00 pm, unless your child attends our Early Birds & Night Owls club. Thank you.

REMINDER - UPCOMING EVENTS
