29th November 2022

Dear Parent / Carer

At Wood Fold we aim to maintain excellent relationships with our community and each year group will be taking part in a 'Community Project' at some point during the school year. This term it is the turn of Year 6 and they will be focusing on helping our local charity 'The Brick'. We have been learning about how the charity helps those in need and how we as a community can support them through the festive period. We will be raising awareness throughout school over the coming weeks.

The Brick are making hampers and each hamper will contain a Christmas dinner, plus treat food items, toys and gifts for each member of the family. They are hoping to make each hamper as personalised as possible, so are asking for items to be donated unwrapped so that their team of volunteers can match the items as best as possible to each family based on the referral information.

Please take a look at the list below, and if you are able to help please send your donation/s in to school by Thursday 8th December. The donated items will then be collected from school by a member of The Brick team. We had a phenomenal response last year; let's see if we can match it or do even better!
