Dear Parent / Carer,

At Wood Fold we aim to maintain excellent relationships with our community and each year group will be taking part in a 'Community Project' at some point during the school year. Year 6 have the privilege of organising Christmas collections for The Brick.

We have been learning about the important work The Brick do to help people in times of need, and we will be raising awareness of this great charity across school over the next 2 weeks. We want everyone to be able to enjoy Christmas and be able to provide their families with the essentials they need to have a happy holiday. The Brick will sort the donations into categories and welcome families into their Food Community to choose items that meet their requirements, need and tastes.

We really want to help everyone have a great Christmas so please help us to help others who need it.

Please take a look at the list below, and if you are able to help please send your donation/s into school by Thursday 8th December. The donated items will then be sorted by us (Year 6), and we will invite The Brick in to collect them. We had a phenomenal response last year, let's see if we beat it!
